# SHORTTRACK LUXEMBOURG NEWS

## Journée Nationale des Sports de Glace 2014

We had six skaters on ice, our competition group with **Caroline, Cecilia, Cameron, Max and Peter** and newly from figure skating to shorttrack moved **Anna**. I think they made a very nice impression to the audience. A special thank goes to Steve for the comments during the shorttrack presentation!

We like also to thank the organisers for this event! Thank you Anne Chlecq, Marie-Jeanne Schmit, Gilbert Stoffel, Alex Benoy, and not to forget Lex, Bea & Heidi. A special thank also to the EISMEISTER's who helped our team with the matts! And sorry, if we forgot YOU, thank you and thank you for reading this!

Next weekend our skaters **Caroline and Peter** are participating in the **26<sup>th</sup> Autumn Tournament in Groningen in the Netherlands**. Wishing them good luck!
