BACK FROM WORLD CUP WITH A NEW PB

Last Wednesday we had **Cecilia** and **Max** leaving to the last **ISU WORLD CUP 2015/2016** in **Dordrecht (NED)** to compete with the worlds fastest shorttrackers . First experience was the ISU-Blood screening for all skaters. This was for **Cecilia** the first time in a World Cup and also in a competition after the injury. **Max** made again in a big competition a new **PB**. Here are the results:

Cecilia Ladies **500m 29th** (from 38 skaters) **1000m 33rd**
Max Men **500m 47th** (from 55 skaters) **1000m 49th** with **1:34.364 PB & NR**
Congrats!

On 22 January our skaters **Nienke Madden** and **Jaap Bokhoven** were skating the **Alternative 11 city tour** on the **Weissensee in Austria**. In 5h35min they skated **100 km** (5 laps each 20 km) so **congrats** to our **LONG (short)trackers!**

This Friday **Anna**, **Caroline** and **Augustin** will start in the last **Starclass 5 (DC) Europe Cup** competition in a brand new ice rink in **Leeuwarden**. **Augustin** is already qualified to the **Europa Cup Final** in **Budapest** but we keep the tumbs up that **Caroline** will do it as well. LIVE streaming will be provided as usually.

Last Friday the **2nd Winter Youth Olympic Games** started in **Lillehammer** where **SHORT TRACK** is also in the program.
