

SHORT TRACK NEWS

Nr 1 Season 2015-2016

Hi all,

The summer 2015 is over and **Kockelscheuer** is opening soon. Our skaters have been skating during the summer months in different places because of the long period of iceless time in Luxembourg. We had skaters training in **Ventspils** Latvia, **Oberstdorf** Germany, **Malmö** Sweden, **Reims** France and **Turnhout** Belgium.

Our first training session is on **Wednesday 16th September, 2015 18:15** for the competition group and **Sunday 20th September from 15:15** for all others.

I hope to see you all as motivated as always!

All new skaters are mostly welcome!
