Caroline 1st, Augustin 2nd and other good results from TURNHOUT

Opening Games in Turnhout was skated two weeks ago and **Caroline** took the 1st place in **Girls Junior D**. **Augustin** took the 2nd place in **Boys Junior D**. Eric & Max skated well, but the official overall positions are not yet out. Congrats!

Cecilia and Peter are both back on ice!

First BENELUX Cup in Wilrijk was skated by **Caroline**, **Augustin** but not **Peter** because of the bad ice-condition. All Group A skaters were not allowed to start! Results will follow when they are out!

Cecilia and **Max** will skate next weekend in the Starclass competition in Dresden with many other skaters. Wishing them good luck!

On **Monday 27th October from 14:00** we are having in Kockelscheuer the **Journée Nationale des Sports de Glace**. We would like to see as many skaters as possible on ice, but further details will be given later!
